

2020-21 Central Junior High Supply List

For organizational purposes, students at CJHS need a system that works for them. It might be folders to keep their work in or it might be a Trapper Keeper or a binder. Please work with your child to see what is best for them. Organizational skills are a must at CJHS.

Students will be provided planners this year to keep track of their assignments and activities. They will be hole punched to fit a binder.

STUDENTS WILL NEED:

Ear buds or ear phones for computer work

Paper - wide rule loose leaf and 1 notebook for each subject

Pens - Blue, Black, Red

Colored Pencils

Highlighter

Pencils - Mechanical preferred for 8th Grade English/Literature

Ruler with Centimeters and Millimeters

Calculator - Texas Instrument \$8.00 to \$12.00 (does fractions)

Protractor

2 Composition Notebooks – 180 pages (7th Grade English)

This is a general list that will get you started. Some items may be needed as the school year progresses. Students will not need sharpies or glue. We will provide those as needed. Locker decorations are allowed, but all items must be removable and not permanent.

Due to the COVID 19 pandemic, Clorox Wipes are in short supply. We will not require these from students this year, but will happily accept any donation you provide.
